

Dear

RE:

Thank you for giving this horse the opportunity of a different role, I trust that you are both still happy and I would like to make this a permanent arrangement.

I have enclosed a non-racing agreement, please could you fill in details for the 'buyer', sign the form (and print) and have it witnessed. There is also an invoice for £100 (plus vat) please make a cheque payable to Darley Stud Management Company Limited .

If you then return both of these to me in the enclosed envelope, I will forward it on to Weatherbys for registration, the passport will then be sent to you from Weatherbys.

I hope that he continues to be a success, please send me photographs to go on the website.

Thank you again.

Yours sincerely

Victoria Jones
